

## Fast Train To New Orleans Starts June 2

Los Angeles and New Orleans will be linked with all-time fastest train schedules on Sunday, June 2, when the Sunset Limited of the Southern Pacific begins its run of slightly less than 48 hours westbound and 49½ hours eastbound, it was announced today by Karl J. Caldwell, district passenger agent.

Westbound tourists and vacationists traveling on the Sunset Limited will have an additional full day in Southern California as a result of the revised schedule which slashes 13 hours off present running time to bring the train into Los Angeles at 9:25 a. m., instead of 7:45 p. m. The train's eastbound schedule will be cut 8½ hours.

Also on June 2, the Argonaut on the same route will be restored to its prewar schedule with reduction in present running time of two to four hours, it was stated.

The Golden State Limited will inaugurate its 48-hour schedule to Chicago on the same date, departing Los Angeles at 11:15 a. m., and carrying the coast-to-coast Pullmans. The Californian, economy train to and from Chicago, returns to its faster prewar running time.

## Local Residents Aid Jewish Fund Drive For Needy

In recognition of the widespread hunger, devastation and despair facing the remnants of European Jewry, civic leaders of the Centinela Valley have organized to form a division, campaigning for the current unprecedented \$5,000,000 United Jewish Welfare Fund drive. The division, headed by I. H. Grancell, will hold a Centinela-wide fund-raising dinner, Tuesday, June 4, at Melton's By-the-Sea, Sepulveda Blvd., and Gould land.

Grancell, of 316 Manhattan ave., Hermosa Beach, announced that the division has adopted a goal of \$85,000 as its share in the campaign. To date, \$17,500 has been raised in advance gifts.

Volunteer campaigners, co-chairmen with Grancell, are the following: Gardena, Isadore Micholovitz; Hawthorne, Luis Sackett; Hermosa Beach, George Schiffrin; Manhattan Beach, Ira Levinson; Redondo Beach, Nathan Pavin; Torrance, Sam Levy. In addition, an executive committee of more than 25 are engaged in the drive.

The United Jewish Welfare Fund drive will answer local needs as well as directly benefit three major agencies. They are the Joint Distribution Committee—the agency engaged in feeding and housing displaced persons in more than 50 countries throughout the world; the United Palestine Appeal, which settles refugees in Palestine; and the National Refugee Service, which rehabilitates refugees who find a haven in the United States.

Judge Irvin Stalmaster of Los Angeles will deliver the principal address at the Centinela Valley dinner, Grancell announced. Reservations, \$2, may be made through Grancell, Hermosa 6796.

**Denounces Mesmerism**  
The Golden Text of the Sunday Lesson, "I am the light of the world," is the subject of the first of a series of talks in the same city used sorcery, and bewitched the people of Samaria, giving out that himself was some great one; . . . Then Simon himself believed and, wondering, continued with Philip, and wondered, beholding the miracles and signs which were done."

Mary Baker Eddy says in "Science and Health" that before the Scriptures: "All unscientific mental practice is erroneous and powerless, and should be understood and so rendered fruitless. The genuine Christian Scientist is adding to his patient's mental and moral power, and is increasing his patient's spirituality while restoring him physically through divine Love."

**MORE THAN 300,000 PHEASANTS RELEASED SINCE 1926 PROGRAM**  
Almost a third of a million pheasants have been released in California since the Division of Fish and Game started its game farm program in 1926, a report made by Henry A. Hjermsman, Junior Game Biologist of the Bureau of Game Conservation, revealed. The 20-year-old total stands at 309,428.

Pheasant releases were very limited in the period before 1926, the report said. The first recorded release was in 1889 when \$2,000 was allotted for the purchase of ring-necked pheasants from Oregon. One hundred and forty pair were purchased and released in Monterey, Sacramento, Marin and Nevada counties.

## Shrine Raising Hospital Funds In Community

Bill Bremmer of Torrance, president of the South Bay Shrine club, presented the club with a steel box at the annual Ladies' Night held at the Palos Verdes Country club recently in which donations will be collected for the new Shrine hospital in Los Angeles.

Shrineland now operates 12 hospitals throughout the United States with the nearest hospital situated in San Francisco. Realizing the need for a hospital in the Los Angeles area, land has been purchased for such an institution and construction will begin as soon as materials are available.

The steel box which Bremmer has constructed has only one opening, a slot in the top to drop in donations which, when the box is opened, will be used for hospital furnishings and equipment. The box will be displayed at all South Bay Shrine club meetings and when the hospital is completed the box will be opened with a blow torch or a hacksaw.
